## How to reach us

### By public transport:

The S-Bahn line S2 departs every 30 minutes between Dresden city centre (also from Heidenau or Pirna on weekdays) and Dresden Airport (station in the basement of the terminal). From there it is a three minutes walk to Applus+ IMA. You can also get to the airport by tram and bus. More information about connections can be obtained at [Dresden Airport](#) , [Dresdner Transport Services](#) and [Public transport authority Upper Elbe](#).

### By car:

From the motorway exit Dresden-Wilschdorf / Airport, drive in the direction of Dresden Airport - continue across the traffic light-controlled intersection (AGIP petrol station) – go straight ahead on Hermann-Reichelt-Street until you reach the car park / radar tower – turn left into Wilhelmine-Reichard-Ring towards the airport terminal – Continue between terminal and car park until you reach the Applus+ IMA building. Please announce yourself at the barrier by telephone.

### By plane:

Applus+ IMA is located close to Dresden Airport (three minutes' walk from the terminal).
